

Minutes of the Roxbury Selectmen meeting Oct. 9, 2017

In attendance: Selectmen Gerry Davis Jim Rousmaniere.

The meeting opened at 7 p.m. The minutes for the Oct. 2 meeting were approved.

The meeting was generally uneventful, the only new information being that the prior weekend Phil's tree service, with Road Agent Ken Buffum looking on, removed two oak trees by the side of Middletown Road just north of the intersection with The Dakin Road. The twin oaks had previously been identified as traffic hazards for their being so close to the paved surface of the road. Road Agent Buffum reported that he might look to see if the logs left by the operation might be sold to a local sawmill thereby reducing the overall cost to the town of the tree removal.

Selectman Davis prepared the manifest of bills to be paid; the manifest was signed by the selectmen. There being no further business, the meeting adjourned at 7:45 p.m.
